

Sinai Temple Under Five Families

STUFF programming is designed to give families with children 0-5 years old enriching Jewish experiences at Sinai Temple.

Tot Shabbat: Come and celebrate the magic of Shabbat with a special service that is musical and interactive. Designed just for little people, it introduces kids to the blessings, prayers and rituals of Shabbat including a “Kid’s Kiddush” with challah and juice, candle lighting, and a modified Torah reading or lesson. A child-friendly dinner follows the 30 minute service. Please RSVP for dinner. Older siblings are welcome. A suggested donation of \$6/person is recommended.
